

To clarify a news report circulating:

Tomislav Vlasic, a former friar, was never the spiritual director to the visionaries of Medjugorje

Old news is no news. Vlasic's connection to Medjugorje had been severed in the Eighties when he sought to interject himself into the Medjugorje phenomenon. The visionaries and their spiritual director Fr Slavko firmly barred his intrusion. He was not the spiritual father of the visionaries in any sense. He became an embarrassment to the Franciscans and left Medjugorje in the early 80's.

Vlasic had become entangled with a woman, a witch, who had come to Medjugorje promoting a fake healing. I remember all of this very well. He caused the visionaries, the Franciscans and the parish much suffering... Our Lady had said in her messages that Satan had left many places in the world to come to Medjugorje and focus his attention there, in order to try to thwart what God was doing through Medjugorje.

By their fruits you shall know them. Sadly, Vlasic's words and actions constitute the antithesis of everything that Medjugorje is all about.

Our Lady warned us all:

"Dear children! Also today the Most High permits me to be with you and to lead you on the way of conversion. Many hearts have shut themselves to grace and have become deaf to my call. You, little children, pray and fight against temptation and all the evil plans which the devil offers you through modernism. Be strong in prayer and with the cross in your hands pray that evil may not use you and may not conquer in you. I am with you and pray for you. Thank you for having responded to my call."
